Message to the Graduates

Greetings to our university officials, faculty and Staff, our respected guests and especially our dear graduates.

Today marks the end of one chapter, and the beginning of another for our graduates. As you stand at the threshold of a new chapter, I want to share a few reflections that I hope will guide you on your journey ahead. For years, the university has equipped you. Not just with facts and theories, but with tools to think critically, to solve problems, to adapt, and to lead. While this moment marks the end of your formal education, it also marks the start of applying in your lives everything you've learned.

Now, it's your turn to use what the university has instilled in you. The world outside is not easy, but we are not empty-handed. We have the knowledge. We have the experience. And we have the values that our university stood for.

Upholding Resiliency, Innovation, Sustainability, and Equity. These are not just words—they are expectations. They are the pillars we must carry into our communities, workplaces, and future lives.

Your dreams are valid, your future is bright, and your journey is just beginning. Carry these values with you, and you won't just succeed—you'll thrive, and you'll help others do the same.

Congratulations Batch Sinagtala, and onward with courage.

Message to the Graduates

To the QCU Sinagtala Class of 2025

Let your success be their rest. Let your strength be their comfort. In all that you do, never forget the hands that raised you, the hearts that sacrificed for you. Congratulations, Sinagtala. Go forward with courage, with love, and with gratitude.

Message to the Graduates

Huge Congratulations, QCU Graduates!

Today marks the culmination of years of hard work, sacrifice, and perseverance. As you stand on the threshold of new beginnings, take a moment to honor not only the knowledge and skills you've gained, but also the values that have shaped you throughout this journey.

You have shown resiliency—weathering uncertainties, adapting to change, and rising stronger after every challenge. This resilience is not just a testament to your strength, but a powerful reminder that growth often emerges from adversity.

You have embraced innovation—thinking critically, creating boldly, and challenging the status quo. In a world that constantly evolves, your ability to imagine and implement new solutions will be your greatest asset.

You have committed to sustainability—recognizing that the choices we make today shape the world of tomorrow. Whether in science, business, the arts, or public service, your actions have the power to protect and nurture the resources we all share.

And perhaps most importantly, you have stood for equity—understanding that true progress leaves no one behind. You have learned to value diversity, to uplift the voices of the marginalized, and to work toward a future where fairness and opportunity are realities for all.

As QCU graduates, you are more than degree holders; you are stewards of change. Carry these values with you—not just in your careers, but in how you live, lead, and serve. Let your success be measured not only by personal achievement, but by the positive impact you make on others and the world.

Congratulations, Class of 2025! Your future is bright, and the world awaits your light.

Message to the Graduates

Dear Engineering Graduates,

Today, you stand at the threshold of a new beginning, a celebration not only of your academic success but of your growth, grit, and purpose. On behalf of the entire College of Engineering, I offer my heartfelt congratulations.

You understand the urgency of sustainability, and the engineer's role in protecting our planet. And above all, you are learning to lead with equity, ensuring that the technologies we build serve everyone, everywhere.

Your time here has prepared you not only to enter the workforce, but to shape the future. Carry these values with you. Let your skills be guided by conscience, and your success measured by the good you bring to others.

QCU Hymn

Dakila kang humubog ng dangal
Dalisay na gabay sa pag aaral
Tagumpay laging ipinagdarasal
QCU naming pinakamamahal

Sa pagsibol ng aming pagkatao
Bigyang liwanag at kulay ang mundo
Tahanan ka ng husay at talino
Taglay ang pangarap ng Pilipino

Pinagpalang Quezon City University
Pangalan ay laging aalagaan
Natatanging Quezon City University
Sandigan ng aming kinabukasan
Pinagpalang Quezon City University
Pangalan ay laging aalagaan
Natatanging Quezon City University
Sandigan ng aming kinabukasan

Natatanging Quezon City University
Sandigan ng aming kinabukasan

Quezon City Hymn

Lungsod Quezon, aming mahal,
Araw Mo ay saganang tunay,
Sa amin ang alab mo'y buhay,
Sa 'Yo buong sigla kaming nagpupugay.

Dito'y ilaw ang diwa Mo,
Hiyas Ka ng Bayang sinisinta,
Dito'y nupli mithiing banal,
Sa 'Yo ang pag-ibig namin at dangal.

Lungsod Quezon, aming mahal,
Pugad ka ng laya't kagitingan,
Dito'y nupli mithiing banal
Sa 'Yo ang pag-ibig namin at dangal
Sa 'Yo ang pag-ibig naming at buhay.

Saranggola Ben&Ben

Saranggola'y lilipad sa kahel na kalangitan
Paalam na nga ba sa ating nakaraan?
Ngunit sa'n man tayo hipan ng amihan
'Di ipagpapalit ang pagkakaibigan
Oh-oh-oh, oh-oh, oh-oh-oh, oh-oh

Kung aking uulitin, itong mahabang byahe
Sa kada yugto ng ating paglalakbay
Wala 'kong babaguhin, ni isang detalye
Sa dami ba naman ng sinuong magkasabay

Sa pagbadya ng kulimlim na tinadhana
'Di magmamaliw, ating mga gunita

Saranggola'y lilipad sa kahel na kalangitan
Paalam na nga ba sa ating nakaraan?
Ngunit, sa'n man tayo hipan ng amihan
'Di ipagpapalit ang pagkakaibigan
Oh-oh-oh, oh-oh

Lumang mga larawang
Naka plasta sa mga dingding
May tamis at pait
Babalikan, tambayan na tindahan
Kwentuhang magdamagang
Nung bata pa't nangangarap lang

Sa pagkagat ng realidad ng buhay
Landas nati'y sadyang magkakahiwalay

Saranggola'y lilipad sa kahel na kalangitan
Paalam na nga ba sa ating nakaraan?
Ngunit, sa'n man tayo hipan ng amihan
'Di ipagpapalit ang pagkakaibigan

Sarado na ang kabanata, ngunit ba't
Ayaw ko pang harapin ang katotohanang
Hindi na nga
Tumahan patutunguhan?

Sa'n man hipan ng hanging amihan
'Di ipagpapalit ang pagkakaibigan
Salamat sa ating pinagsamahan
'Di ipagpapalit ang pagkakaibigan
'Di ipagpapalit ang pagkakaibigan

Saranggola'y lilipad sakahel na kalangitan
Paalam na nga ba sa ating nakaraan?
Ngunit, sa'n man tayo hipan ng amihan
'Di ipagpapalit ang pagkakaibigan

Saranggola'y lilipad sa kahel na kalangitan
Pangarap na lang ba ang ating walang hanggan?
Sa'n man tayo hipan ng amihan
'Di ipagpapalit ang pagkakaibigan

Saranggola
Lilipad lilipad na
Saranggola
Lilipad lilipad na
Kahel na ang kulay ng kalangitan
Saranggola
Lilipad lilipad na
