

IRISE 2025

INTERNATIONAL RESEARCH AND INNOVATION FOR SUSTAINABLE EDUCATION HYBRID CONFERENCE

*Reimagining Local Innovation and Global Futures through
Sustainable Education Practices*

NOVEMBER
28 2025

OCU Auditorium San Bartolome Campus
Quezon City, Philippines

RATIONALE

In today's fast-evolving educational landscape, the integration of research, technology, and sustainability has become essential in preparing future-ready learners. Recognizing this, Quezon City University (QCU), in partnership with the Asia Pacific Consortium of Researchers and Educators (APCORE), Inc., will spearhead the **International Research and Innovation for Sustainable Education (I-RISE) Conference 2025**.

Building on the success of **I-RISE 2024**, which gathered local and international participants for dialogue and research dissemination, **I-RISE 2025** aims to continue providing a platform for educators, students, and researchers to present scholarly work and share innovative practices that address global challenges in education.
