About QCU

The story of Quezon City University (QCU) is one of purpose, perseverance, and public service—a story that reflects Quezon City's deep commitment to accessible, transformative education for its citizens. Spanning over three decades, QCU's evolution mirrors the city's pursuit of innovation, excellence, and social equity.

The foundation of the university dates back to 1988, when the Quezon City Council created a technical committee tasked with studying the establishment of a local university. The committee brought together city officials and respected academic leaders from institutions such as the University of the Philippines, Pamantasan ng Lungsod ng Maynila, Technological University of the Philippines, and Polytechnic University of the Philippines.

After extensive consultations, the Quezon City Polytechnic University (QCPU) was formally established on March 1, 1994, through City Ordinance No. SP-0171. Conceived as a local government educational institution, it integrated the former Skills and Training Center and was mandated to train highly skilled workers in response to the manpower needs of industries and businesses within the city.

Initially, QCPU offered three-year associate programs in Automotive Technology, Electrical Technology, Welding, Refrigeration and Air Conditioning, and Fashion Technology. These were later expanded to include Electronics, Mechanical, and Computer Technology, as well as a pioneering course in Boiler Technology. Through its strong focus on technology-based training, QCPU gained recognition from the Technical Education and Skills Development Authority (TESDA) and established a strong international partnership with the Japan International Cooperation Agency (JICA). It also became a model technology-based institution among local government units.

On August 20, 1997, QCPU was elevated into a university through City Ordinance No. SP-544, S-97, under the leadership of former Quezon City Mayor Feliciano "Sonny" Belmonte, who championed greater access to higher education. This transition marked the beginning of its expansion into degree programs, which were formally introduced in Academic Year 2005–2006. The initial offerings included a BS in Entrepreneurial Management, BS in Information Technology, and BS in Industrial Engineering, followed by BS in Electronics Engineering in 2010–2011.

Further strengthening its institutional capacity, City Ordinance No. SP-1945, s. 2009 granted QCPU semi-autonomy in fiscal management, operations, and budgeting. In response to the national K–12 reform, the university also offered Senior High School programs from 2016 to 2022 under Ordinance SP-2308, s. 2014. and vocational programs.

A major transformation came in July 2019 with the implementation of Ordinance SP-2812, officially converting QCPU into Quezon City University (QCU) and enhancing its charter. This shift enabled the institution to focus fully on tertiary education. During this transition, Dr. Victor B. Endriga served as Officer-in-Charge President. Around this period, the university expanded its academic offerings, including the introduction of the Bachelor of Science in Accountancy, while gradually phasing out technical and vocational programs.

On October 8, 2020, the University Board of Regents appointed Dr. Theresita V. Atienza as QCU's first elected University President following a merit-based selection process. Entrusted with a four-year term, Dr. Atienza advanced a bold vision of positioning QCU as the leading local university that produces employable and globally competitive graduates. Upon the completion of her first term, she was reappointed in 2025, continuing her leadership and reform initiatives.

Under her guidance, QCU has achieved significant academic and institutional milestones. In 2022, its core programs—Entrepreneurship, Information Technology, Industrial Engineering, and Electronics Engineering—earned Level I Accreditation from the Association of Local Colleges and Universities Commission on Accreditation (ALCUCOA). This was followed by Level II Accreditation in 2023, while the BS in Entrepreneurship program reached Level III Accreditation in 2024, underscoring the university's growing academic excellence.

To remain responsive to evolving industry demands and the challenges of Industry 4.0, QCU introduced new degree programs, including BS in Computer Science, BS in Information Systems, and BS in Computer Engineering. These additions reflect the university's commitment to equipping students with future-ready skills.

Since its establishment, Quezon City University has evolved significantly from a technical education provider into a comprehensive higher education institution. Today, QCU offers degree programs in accountancy, entrepreneurship, information technology, and engineering.

In 2025, the University's Bachelor of Science in Information Technology (BSIT) and Bachelor of Science in Industrial Engineering (BSIE) programs officially achieved Level III Accreditation—an affirmation of QCU's unwavering commitment to academic excellence, quality assurance, and innovation in higher education. In the same year, the Bachelor of Science in Accountancy (BSA) program attained Candidate Status, marking a significant step toward full accreditation.

From its humble beginnings to global recognition, QCU continues to empower students, uplift communities, and lead with purpose—transforming lives and building sustainable futures for generations to come.

MESSAGE FROM THE PRESIDENT:

The year 2025 was a meaningful year of progress for Quezon City University. Throughout the year, we continued to strengthen our academic programs, improve student support, expand partnerships, advance research and innovation, and deepen our commitment to service, quality, and relevance in local higher education. These efforts reflect QCU's continuing growth as a city-funded university that responds to the needs of its students, communities, and stakeholders.

Our accomplishments in 2025 were made possible through the collective work of our faculty, staff, students, administrators, partners, and the sustained support of the Quezon City Government and the Board of Regents, led by our beloved City Mayor, Joy Belmonte. Together, we moved forward in instruction, research, extension, governance, and campus development.

We also continued to build QCU's visibility through quality assurance initiatives, local and international engagements, and participation in relevant rankings and recognition platforms. These developments affirm that QCU is steadily strengthening its role as an institution that values both access and excellence.

At the end of 2025, the University undertook an important institutional step through the review of the Strategic Plan 2021–2026. This process led to the development of the Strategic Plan 2026–2031, which is anchored on QCU's new vision: to be an internationally recognized local university committed to innovation and sustainability to achieve positive social impact. This renewed direction reflects our aspiration to position QCU more strongly within the broader higher education landscape while remaining grounded in our public mandate and mission of providing a comprehensive education that enhances the lives of our students for nation-building and as world citizens.

As we present this annual report, we recognize that the gains of 2025 are part of a continuing institutional journey. This report is not only a record of what has been accomplished, but also a reflection of how the University is preparing for its next phase of growth and transformation.

With clearer direction, stronger alignment, and the shared commitment of the QCU community, we move forward with purpose, accountability, and confidence in what we can achieve together.

May this annual report stand as both a documentation of our work and a reaffirmation of our commitment to building a more responsive, innovative, and impactful Quezon City University.

DR. THERESITA V. ATIENZA, DEM
University President

2021-2025

VISION

To be recognized as the #1 local university of employable graduates

2021-2025

MISSION

To provide a comprehensive education that enhances the lives of QCU students for nation-building and as world citizens

2021-2025

CORE VALUES

Jointness of Undertakings

Organizational Adaptability

Yoke of Efficiency and Effectiveness

STRATEGIC DIRECTIONS

2021-2026

1 Excellence in Curricular Innovation

We will provide interdisciplinary academic programs that engage students and professionals in analytic thinking, creativity, and ethical practices through experiential learning, preparing them for Industry 4.0.

2 Faculty Excellence

We will offer interdisciplinary programs that foster analytic thinking, creativity, and ethical practices through experiential learning, preparing students for Industry 4.0.

3 Student Excellence

Student success is the core mission of QCU, driving our passion for higher education. We focus on enhancing student experiences both in and out of the classroom, using data to inform decisions that promote academic achievement and well-being.

4 Excellence in Research

Research excellence at QCU focuses on becoming a leading university that significantly impacts society across various fields. This ambition requires deep expertise, interdisciplinary collaboration, and robust resources for research services.

5 Excellence in Community Engagement

Extension service or community engagement is one of the University's triadic functions. By applying our academic and professional expertise, QCU will help improve the quality of life for the communities we serve.

6 Excellence in Institutional Governance

Good governance will be applied and practiced in the University. The administration will ensure that the needs of the entire community are met while balancing competing interests in a timely, appropriate, and responsive manner.

7 Excellent Campus Environment

QCU, with the city government's support, is committed to transforming and revitalizing the campus by securing investment in teaching and learning facilities, specifically, the construction of additional buildings to meet the community's intellectual, social, physical, and spiritual needs.

Excellence in Curricular Innovation

Shaping learning that is relevant, future-oriented, and responsive to the demands of a rapidly changing world.

Colleges and Courses Offered:

College of Accountancy

The **College of Accountancy** aims to produce globally competitive professional accountants. It instills the highest ideals of moral and ethical standards to honor God, respect others, and dignify oneself.

CoA offers:

- Bachelor of Science in Accountancy (BSA)
- Bachelor of Science in Management Accounting (BSMA)

College of Business

The **College of Business** aims to produce responsible entrepreneurs and globally competitive business professionals. It instills the highest ideals of moral and ethical standards to honor God, respect others, and dignify oneself.

CoB offers:

- Bachelor of Science in Entrepreneurship (BSEntrep)

College of Education

The College of Education is a premier teacher-education center in the region, providing quality instruction and training for future educators to serve the public schools in Quezon City, in particular, and the National Capital Region in general.

CEd offers:

- Bachelor of Early Childhood Education (BECEd)

College of Engineering

The **College of Engineering** provides quality engineering education that develops competent, innovative, and globally competitive engineers equipped with strong technical knowledge and ethical values. It prepares graduates to contribute to industry development and nation-building.

CoE offers:

- Bachelor of Science in Electronics Engineering (BSECE)
- Bachelor of Science in Industrial Engineering (BSIE)
- Bachelor of Science in Computer Engineering (BSCpE)

College Computer Studies

The **College of Computer Studies** provides quality education in computing and information technology, developing competent and innovative professionals equipped with technical expertise and ethical values to meet the demands of the digital and global industry.

CCS offers:

- Bachelor of Science in Information Technology (BSIT)
- Bachelor of Science in Information Systems (BSIS)
- Bachelor of Science in Computer Science (BSCS)

QCU Launches 18-Unit Professional Teaching Certificate for Aspiring Educators

Beginning Academic Year 2025-2026, QCU-CEd also launched its **18-Unit Professional Teaching Certificate Course**, designed for non-education graduates who aspire to take the Licensure Examination for Professional Teachers (LEPT). This one-semester, blended learning program (online + onsite) covers six core subjects—The Child and Adolescent Learner and Learning Principles, The Teaching Profession, Learner-Centered Teaching, Assessment in Learning, Technology for Teaching and Learning, and Educational Research and Evaluation—providing career shifters and professionals with the essential knowledge and skills to enter the teaching field. With an all-in program fee of **₱6,600.12**, QCU ensures accessible and practical pathways for aspiring educators to succeed in their teaching careers.

QCU CERTIFICATES OF PROGRAM COMPLIANCE ISSUED BY CHED

LEVEL III Accreditation

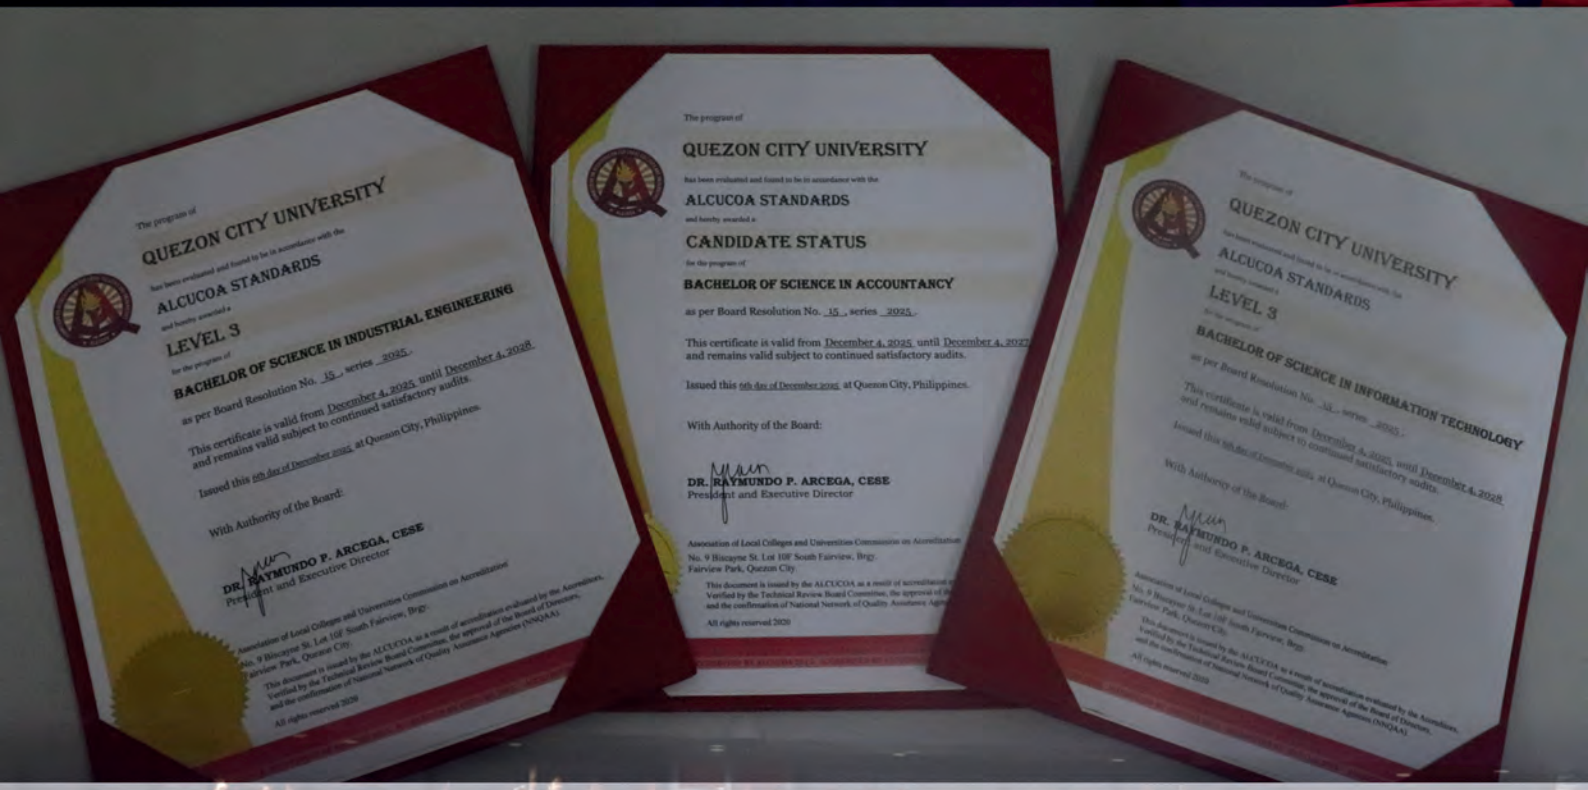

QCU proudly celebrated a major academic milestone following the successful accreditation visit conducted by the Association of Local Colleges and Universities Commission on Accreditation (ALCUCOA) from December 1–3, 2025.

The university's **BS Information Technology** and **BS Industrial Engineering (BSIE)** programs officially **achieved Level III Accreditation**, a recognition of QCU's unwavering commitment to academic excellence, quality assurance, and innovation in higher education. Meanwhile, the **Bachelor of Science in Accountancy (BSA)** program attained **Candidate Status**.

These accomplishments reflect the collective dedication, perseverance, and hard work of QCU's administrators, faculty, staff, and students. With these milestones, QCU continues to rise toward greater heights of academic distinction and institutional excellence.

Dr. Cacho Highlights QCU Innovation at IEOM Singapore Conference 2025

Dr. Jeffrey L. Cacho represented QCU at the **15th Annual International Conference on Industrial Engineering and Operations Management (IEOM),** held on February 18–20, 2025, at the **Singapore University of Social Sciences,** where he presented his research on a **technology management framework for urban farming** to support sustainable development and smart city solutions.

QCU Joins ALCUCOA's 39th Capability Training on Transformative Education

QCU joined the **39th Capability Training on Transformative Education by ALCUCOA** (September 10–12, 2025) at **Hotel Salcedo de Vigan** with seven delegates. The training enhanced **skills in research, extension, accreditation, futures thinking, and design innovation**. QCU's workshop outputs were recognized, and the event strengthened its commitment to research, aligned programs, and collaborative partnerships.

Student Excellence

3

Placing students at the center of the QCU experience through opportunities that nurture leadership, participation, and holistic development.

Robust Enrolment, Inclusive Education

QCU welcomed 11,809 students in 2025, highlighting its expanding academic community and dedication to inclusive education.

Breakdown of Students during AY 2025-2026

In Academic Year 2025–2026, QCU proudly served a total student population of **11,809 across** its campuses, including **68 enrollees from the 18-Unit Professional Teaching Certificate Course (PTCC)**. The distribution highlights the university's continued commitment to offering a diverse and industry-responsive range of programs.

QCU Freshmen Walk: Welcome to Our Future Changemakers!

On **August 14, 2025,** QCU welcomed its new generation of scholars during the **Freshmen Walk** at the San Bartolome Campus, a spirited event celebrating unity, pride, and the start of their academic journey. The parade was led by **President Dr. Theresita V. Atienza,** together with the **college deans, department heads, and other university officials.** It also featured **lively performances by the QCU Ligers Tetsquad** and **Tanghalang QCU Dancers**.

QCU hosts Earth Day Jam 2025

QCU hosted Earth Day Jam 2025 on August 14, blending music, environmental advocacy, and youth engagement to promote sustainability on campus through performances by Lou Bonnevie, Paraluman, Better Days, and Imago, alongside inspiring talks from climate advocate Rain Bello on climate justice and community action, and urban sustainability advocate Bea Dolores on biodiversity-centered and culturally inclusive urban development. A special highlight of the event was the Green Warriors' Award, presented to the PIIE – QCU Chapter, IECEP – QCU Chapter, and BSA–1C JPIA – QCU Chapter for their environmental advocacies, while Francis Olila and Armary Jane Julian were crowned Mr. and Ms. Earth Day Jam 2025.

QCU Celebrates 31st Founding Anniversary

By The QCU Times Publication

QCU celebrated its **31st Founding Anniversary** from **March 3 to 8, 2025,** with the theme **#1QCUweRISETogether**, highlighting the university's core values of **Resiliency, Innovativeness, Stewardship, and Equity (RISE)**. The celebration opened with a Thanksgiving Mass at the QCU Auditorium, a community parade led by the Colleges, and the kickoff of **Intramurals 2025**.

The U-week also featured **sports and e-sports competitions, academic contests, cultural performances,** and **exhibits.** Another highlight is the **inauguration of the Industrial Engineering Laboratory** and the **Robotics/IoT Laboratory**, as well as the opening of **Bazaar 2025** led by the College of Business.

FINAL ROUND

National Business and Entrepreneurship Student Summit (NBESS) 2025

The QCU-College of Business organized the **National Business and Entrepreneurship Student Summit (NBESS) 2025**, held on March 4, 2025. The event focused on **integrating the 17 Sustainable Development Goals (SDGs)** into entrepreneurship. **Dr. Maria Victoria U. Rosas,** Vice President for Academic Affairs and Research at the Philippine School of Business Administration (PSBA), served as the keynote speaker of the event**,** stressing the **urgency of these goals.** Plenary sessions explored **entrepreneurial programs and the impact of technology on business**, empowering students for sustainable success.

Business Implementation Grand Launch 2025

The **QCU-College of Business** successfully held the **Business Implementation Launch** of its third-year BS Entrepreneurship students on October 13, 2025, marking the culmination of their course projects.

Over a two-day event, students showcased their **business ventures—ranging from food and beverage enterprises to tech-enabled services and sustainable products.**

The event highlighted the college's commitment to experiential learning and entrepreneurial development, providing students with **practical opportunities to apply strategic planning, market research, critical thinking and social development.**

Reading Together, Connecting Together: CCS' Community Outreach

On October 16, 2025, the **QCU-College of Computer Studies (CCS)** showcased its commitment to community engagement through the **"Give IT a Book"** initiative and **CCS Alumni Talk 2025**. Students and university leaders donated a total of **50 books** to the **QCU Library Resource Center, promoting a culture of learning and generosity**, while selected alumni shared personal **career insights and experiences** to inspire CCS students.

Alab in IT: SummerSaya 2025 Ignites QCU

By: The QCU Times Publication

QCU hosted its **first Student Organizations' Day**, entitled **"ALAB IN IT: SummerSaya 2025 Org Fest,"** on **April 30, 2025**, at the QCU Triangle, featuring interactive booths, games, environmental advocacy activities, and a closing concert by **The Juno Band**.

The event was organized by **Brianne J'Rmae M. Dilig** of **The QCU Times Publication** and **Aviona Bianca M. Bermejo** of **Junior Philippine Institute of Accountants** (JPIA) – QCU.

IT Summit 2025: Uncovering the Digital Truth

QCU-CCS organized the **IT Summit 2025**, held on **December 19**, with the theme **"Uncovering the Digital Truth."** Led by **Dr. Ezekiel R. Borja** and the **QCU–League of Excellent Students in Information Technology (LESIT)**, the event aimed to tackle technology's evolving role in innovation, security, and society. Key sessions included **Dr. Erwin Quendangan's** talk on technopreneurship, encouraging a startup mindset, and Prof. Samson Semwenda's discussion on digital forensics, highlighting cybercrime threats and the importance of cybersecurity.

First TEDxQuezonCityU Inspires with Stories of Innovation and Impact

QCU hosted its **first TEDxQuezonCityU** on **December 6, 2025**, themed **"Redefining Success,"** featuring speakers who shared stories of resilience, innovation, and social impact, reinforcing the university's commitment to ideas that drive change. Featuring talks from **Robyn Mijares**, Rene "Butch" Meily, **Obet "Daddy O" Cabrillas**, and **William Kevin Abran**, each offering a new perspective on what success truly means.

QCU Robotics Team Heads to VEX World Robotics Championship in Dallas, Texas, USA

Robotics Team QCU1 competed in the **VEX Robotics World Championship (University Category)** from May 9–11, 2025, in **Dallas, Texas**, where they achieved an impressive **15th place out of 63 international university teams** in the Skills Competition.

The team included **John Daniel C. Cimanes, Prince L. Docot, Raniel Rick F. Peñas, Rencis R. Sumugat, Enerjhun Q. Relon, and Arturo D. Marte, Jr. II,** guided by mentors **Engr. Ryan F. Arago and Engr. Leonard A. Catchillar.**

VEX U Launches New Season at Robotics Academy Conference

QCU, in partnership with the **Commission on Higher Education (CHED)** and **VEX Robotics**, hosted the **Robotics Academy Conference & Workshops** at the **San Bartolome Campus** from August 29–30. This landmark event gathered educators and students nationwide to explore the theme **"Building Tomorrow's Innovators,"** featuring sessions on **AI, STEM frameworks, and hands-on workshops in robot design and programming.**

QCU Cultural Performance Secures 2nd Place at Exchange Vibes 2025

QCU proudly represented the Philippines at the virtual **Exchange Vibes 2025**—Cultural Connect in Bandung, Indonesia, on **July 24, 2025**. **Tanghalang QCU Dance Troupe performed the vibrant LUZVIMINDA** dance, celebrating the cultures of Luzon, Visayas, and Mindanao. The university earned **2nd Place for Best Teamwork Performance** and **Best Artistic Performance.**

QCU StartUp Team InnoEssentials Shines in QC StartUp Student Competition

QCU's student-led team, InnoEssentials, Inc., earned the **Gold Award** at the **2025 QC StartUp Student Competition** on May 23, 2025, for its innovative, health-conscious product "*DiaStirr*," designed to help people with diabetes prepare beverages with controlled stirring for wellness and convenience.

Led by Industrial Engineering students **John Jerick F. Lumague, Louie Jean O. Labrador, Ma. Penelope Garcia, and Bim Yla M. Bayaga**, and mentored by **Dr. Aura Marie Novesteras**, the team stood out among more than two dozen entries from top universities, showcasing QCU's commitment to fostering innovation, sustainability, and socially responsible solutions that address real-world challenges.

QCU Student Orgs Shine at the QC Green Awards 2025

The Philippine Institute of Industrial Engineers-Operations Research Society of the Philippines (PIIE–ORSP) QCU Student Chapter and the **Institute of Electronics Engineers of the Philippines (IECEP)**–QCU Student Chapter received the **Excellence in Climate Action–Youth-Based Category** award at the **QC Green Awards 2025** on November 13, 2025. Winners were also awarded **cash grants to support their sustainability projects** in recognition of their exemplary environmental initiatives.

QCU Proudly Shines at ENEDA Conference 2025

Selected QCU students and faculty participated in the ENEDA National Conference 2025 in Cebu City from September 17–19, 2025. Aubrey Jean H. Sta. Maria won 2nd Runner-Up in the Business Plan Competition, was named a Most Outstanding Entrepreneurship Student finalist, and elected NCR Regional Leader. Edwin C. Paglalunan Jr. was a Business Plan finalist and elected NCR Regional Treasurer.

JPIA-QCU Zenith Federation Takes the Spotlight at SIDHANA 2025

On July 5, 2025, JPIA-QCU Zenith Federation excelled at SIDHANA 2025, winning Hiyas ng Silangan and Alab ng Silangan. Jobel Ariznabarreta earned two awards, while Quine Lozada and Jean Pauline Ortega also received individual honors.

The **National Service Training Program–Civic Welfare Training Service (NSTP-CWTS) II Graduation Ceremony 2025** was held on June 11 and 13 at the QCU Auditorium, celebrating the completion of community immersion for 2,304 students under the theme **"Cultivating Leaders, Nourishing Communities: Empowering through Partnerships for Food Security."** Guest speakers **Ms. Cristina L. Perez, Head of QC's The Joy of Urban Farming** and **Hon. Xyrone Joshua A. Pelayo, SK Chairperson of Barangay Sta. Lucia** emphasized the importance of youth leadership, civic engagement, and sustainable community development.

During the ceremony, BSA's **SBAC1C** received the **Overall Best Program Implementation for the NSTP-CWTS II Community Immersion** and the **Best Program Implementation for Financial Literacy and Accountability**. Other awardees included **SBIE1C** for **Innovation and Technology Transferred**, **SBIS1A** for **Digital Solutions and Information Systems**, **SBECEd1C** for **Education**, and selected **Entrepreneurship classes for Livelihood and Entrepreneurship**. **Armary Jane Julian of BSA SBAC1C**, was also recognized as the **Most Outstanding Student Leader** in Program Implementation.

Batch Sinagtala Recognition Day

QCU honored the **Sinagtala Batch 2024–2025** on June 24, 2025, in a celebration of academic achievement led by President Dr. Theresita V. Atienza, with District 5 Councilor Ram Medalla and District 2 Councilor Aly Medalla serving as keynote speakers. Another highlight of the program was the reflections of **Outstanding Graduating Students Ella Mae V. Pegoro** (BS Entrepreneurship) and **Maureen Rose G. Censon** (BS Industrial Engineering).

BATCH SINAGTALA 2025

1,875 QCians graduated as part of **Batch Sinagtala** on July 1, 2025, at the Smart Araneta Coliseum, with the theme **"Upholding Resiliency, Innovation, Sustainability, and Equity."**

AGSIKAP 2025: QCU Honors Newly Licensed Engineers, Inspires Future Generations

QCU College of Engineering held the **AGSIKAP 2025** with the theme, **"Pagpupugay at Pagkilala sa mga Agsikap"** on May 3, 2025, at the QCU Auditorium, honoring newly licensed **Certified Industrial Engineers, Electronics Engineers, and Electronics Technicians**.

In her welcome address, President Dr. Theresita V. Atienza highlighted the values of hard work, service, and nation-building. **COE Alumni Engr. Jessica Torres (batch '21) and Engr. Aya Vanessa Zaragoza (batch '23)** shared **inspiring journeys in public service and engineering practice**, encouraging students to pursue lifelong learning and meaningful careers. College Dean Dr. Ryan F. Arago closed the program by reminding the future engineers who were in attendance to cultivate both competence and character in their professional paths.

Research Excellence

Building a culture of inquiry and innovation that generates knowledge, informs practice, and contributes to positive social impact.

4

QCU Taps Former UPLB Chancellor as RDLeader under DOST-NRCP's RDLead FIRE Program

In 2025, QCU officially joined the DOST-National Research Council of the Philippines (NRCP) RDLead program under the FIRE (Fostering Innovation through Research and Engagement) initiative. Through this engagement, the university benefits from the expertise of RDLeader Dr. Fernando C. Sanchez, Jr., former chancellor of UP Los Baños, whose tenure extends until March 2026.

Dr. Sanchez's residency commenced with intensive workshops on research proposal packaging and pitching, designed to bolster the university's institutional capacity for securing national grants and fostering a culture of high-impact research.

QCU Hosts DOST-PCAARRD Balik Scientist Dr. Manny Reyes for School + Home Garden cum Biodiversity Enhancement Enterprise SHGBEE and Biodiversity Enhancement, Regenerative Agriculture, and Enterprise (BERAE)

From **November 24 to December 8, 2025**, QCU hosted Dr. **Manuel "Manny" R. Reyes** through the **DOST–PCAARRD Balik Scientist Program**. During his 15-day residency, Dr. Reyes conducted specialized lectures on the **School + Home Garden cum Biodiversity Enhancement Enterprise (SHGBEE)** model, **Biodiversity Enhancement, Regenerative Agriculture, and Enterprise (BERAE)** . The program empowered students and local communities to advance initiatives in food security, climate resilience, biodiversity enhancement, and sustainable urban agriculture, further strengthening QCU's commitment to community development.

QCU Participates in A-GRaSS 2025 in Ho Chi Minh City

From **May 21-23, 2025**, QCU co-hosted the Asian Graduate Studies Summit **(A-GRaSS) 2025 in Ho Chi Minh City, Vietnam.** Ten QCU delegates participated in the conference, with eight (8) presenting on-site and two (2) online.

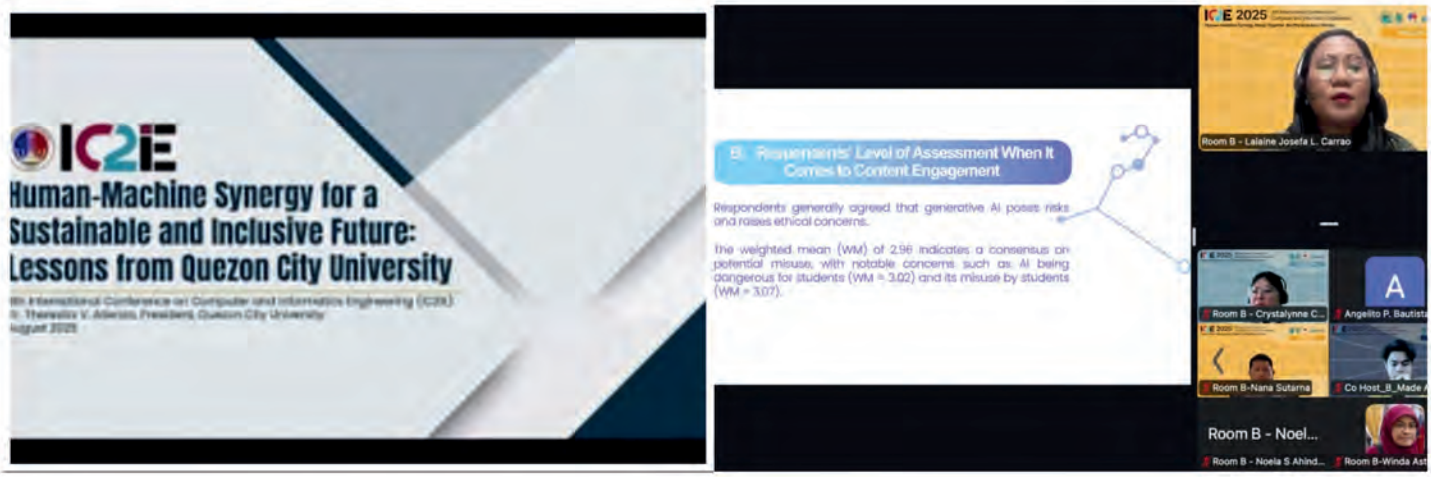

QCU Hosts I-RISE 2025, Featuring HEIx Roundtable on Research and Extension

QCU hosted **International Research and Innovation for Sustainable Education (I-RISE) 2025** on **November 28, 2025**, a **hybrid conference** on sustainable education with **more than 80 research presentations from 46 institutions and global partners**. A highlight of the conference was the **HEIx Roundtable**, which examined research and extension challenges and included Dr. Theresita Atienza, QCU President; Dr. Reggie Maningas, Pamantasan ng Lungsod ng Pasig President; and Dr. Felma Carlos-Tria, Universidad de Manila President. **Clarivate's Dr. Ahmed Bourghida** also delivered a plenary speech on artificial intelligence in research. A total of **83 papers** were presented, with **39 delivered onsite** by delegates from 8 universities and **44 presented online** by participants from 32 universities during the parallel sessions.

QCU Strengthens Global Academic Collaboration at 8th IC2IE Conference

Strengthening its global academic presence, QCU served as an official academic partner of the **8th International Conference of Computer and Informatics Engineering (IC2IE) 2025, organized by the Politeknik Negeri Jakarta (PNK) on September** 11–12, 2025. **Dr. Theresita Atienza** served as the keynote speaker of the event, while **Asst. Prof. Lalaine Josefa Carrao of QCU-CCS** was the sole research presenter from QCU. Selected faculty also served as online session chairs and reviewers.

QCU, APCORE, UNEAL Lead PH Team at XV ENCCULT 2025

On September 26, 2025, QCU teamed up with **APCORE and UNEAL Brazil** to organize the **Philippine Working Group** session during the **15th National Meeting of Culture, Science, and Technology (ENCCULT)**. This virtual event showcased **22 presenters from 12 institutions**, covering topics on **"Philippine Perspectives, Innovations, and Research in Education, Science, and Social Development within a Global and Digital Context,"** which served as a forum for QCU faculty to lead on digital ethics and research.

Synergy 2025: Collaborative Research and Innovation in Computer Studies

The QCU College of Computer Studies successfully hosted the third SYNERGY Student Research Conference on April 30, 2025, featuring the **keynote address of Dr. Jayson M. Victoriano, Associate Professor at the Bulacan State University, on the future of Artificial Intelligence.**

A total of **9** BS Information Technology student groups presented **capstone projects in web, mobile, and hardware development, focusing on AI, sustainability, and system innovation.** The event also featured research poster presentations.

PIONEER 2025: Built for Innovation, Driven by Excellence

The **QCU College of Engineering** held its third **PIONEER Student Research Conference** on May 2, 2025, with the theme **"Providing Innovative Opportunities to Nurture Engineering Education through Research."** The event gathered students, faculty, and researchers to **showcase innovative engineering projects and highlight the role of research in education and societal progress.** A total of **12 student research presentations** were featured during the conference, with **6 from Electronics Engineering (ECE)** and **6 from Industrial Engineering (IE).**

EDUKTRENDS 2025: Empowering Future Educators Through Research and Innovation for Sustainable Quality Education

The **QCU College of Education** successfully organized **EDUK Trends 2025** on December 13, 2025, with the theme **"Empowering Future Educators Through Research and Innovation for Sustainable Quality Education (SDG 4)."** The conference highlighted the **role of research and innovation in preparing future educators and advancing quality education** in line with Sustainable Development Goal 4.

Training and Seminars

QCU Leads IMRaD Research Writing Seminar at OLOPSC Faculty Town Hall 2025

QCU, through its REPL-Research Management Office, led an **IMRaD research writing session** on September 8, 2025, at the **2025 Our Lady of Perpetual Succor College (OLOPSC) Faculty Townhall in Marikina**. **Mr. Angelito Bautista Jr.** delivered a **lecture on the IMRaD format**, guiding participants through effective research writing strategies and fostering collaboration opportunities.

QCU Joins 5-Day Patent Search and Drafting Training at ADMU

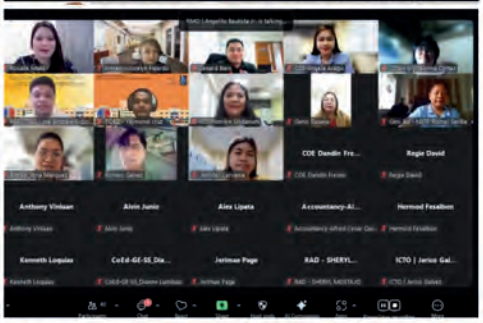

From June 30 to July 4, 2025, **QCU's ITSO team**, led by General Manager **Maria Aura C. Impang**, joined a **five-day patent training at the Ateneo de Manila University (AdMU),** organized by the **Intellectual Property Office of the Philippines (IPOPHL)**. The training focused **on patent searching, drafting, and intellectual property protection.**

QCU Holds TURNITIN Workflow Webinar for Faculty and Staff

QCU's Research Management Office held a **Turnitin Workflow** webinar on January 22, 2025, attended by over 50 faculty and staff. Led by **Mr. Angelito Bautista Jr.**, the session covered **Turnitin features, AI detection, and Feedback Studio.**

QCU Joins CHED's Phase Two: Virtual Workshop on Internationalization (IZN) Scoping Survey

On February 10, 2025, QCU participated in **Phase Two of the Virtual Clustered Workshop** on **Internationalization (IZN) Scoping Survey** organized by **CHED-NCR** via Zoom. The workshop gathered data on **internationalization practices of higher education institutions** to support policy development and improve global competitiveness.

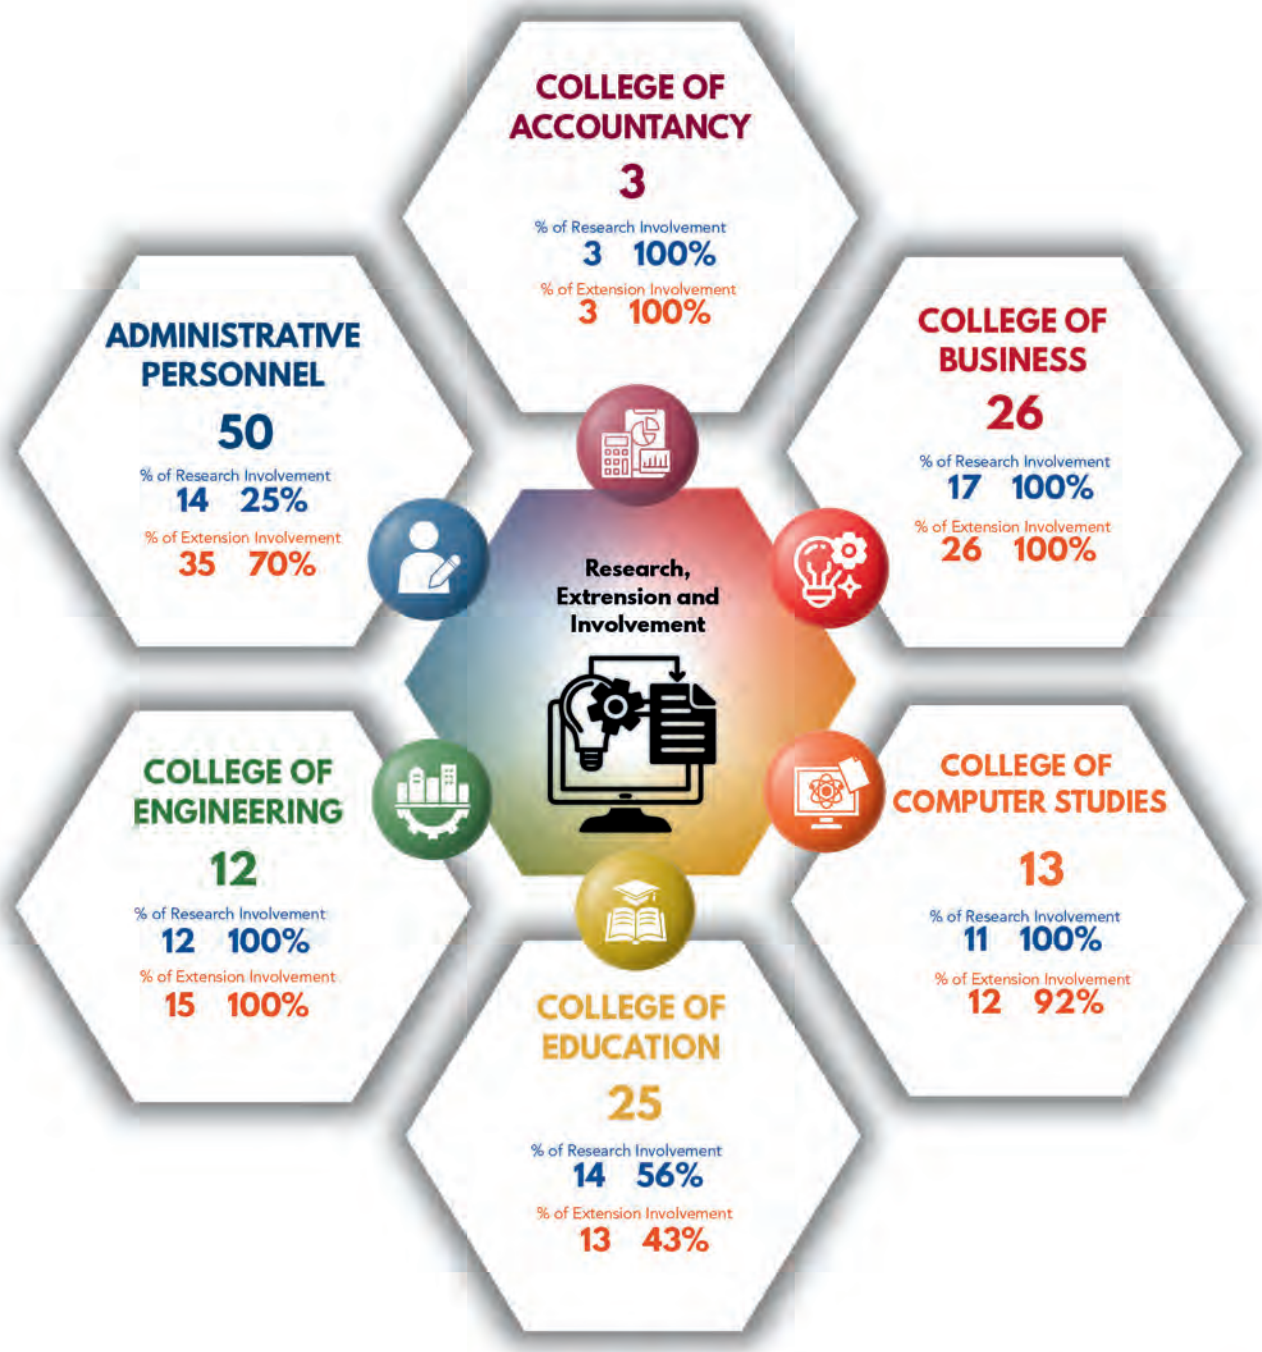

QCU Joins 3rd ALCUCOA National Research Conference

QCU attended the **3rd ALCUCOA National Research Conference** in Quezon City on May 30–31, 2025. The event, themed **"Advancing Research Excellence: Local Solutions for Global Sustainability,"** gathered over **200 participants from 42 local colleges and universities**. Representing QCU, **Angelito P. Bautista Jr.** and **Jayvee Matutino** engaged in workshops and discussions on collaborative research in fiscal management, underlining QCU's dedication to enhancing research and partnerships.

QCU Honors Top University Researchers during REAR 2025

QCU celebrated the achievements of its faculty and staff during the **Research and Extension Awards and Recognition (REAR) 2025** on March 3, 2025, as part of the university's 31st Foundation Anniversary Week. The event honored those who published in prestigious SCOPUS- and Web of Science-indexed journals, as well as contributors to QCU's in-house journals and monographs. University President Dr. Theresita V. Atienza and Dr. Randel D. Estacio, OIC-Vice President for Academic Affairs, graced the event.

Beyond research publications, REAR 2025 also **recognized impactful extension projects led by various colleges, administrative units, and the Center for Urban Agriculture and Innovation.** Awarded initiatives included entrepreneurship training for out-of-school youth, technology literacy programs, agricultural innovation projects, and employment readiness campaigns, all aimed at empowering communities through knowledge and skills development.

These efforts demonstrate a continuing commitment to research-driven innovation, public service, and social change, as QCU encourages more faculty and staff to contribute to academic progress and nation-building.

Flagship Extension Program

QCU's extension initiatives reached new heights in 2025, addressing community needs through strategic and values-driven programs under:

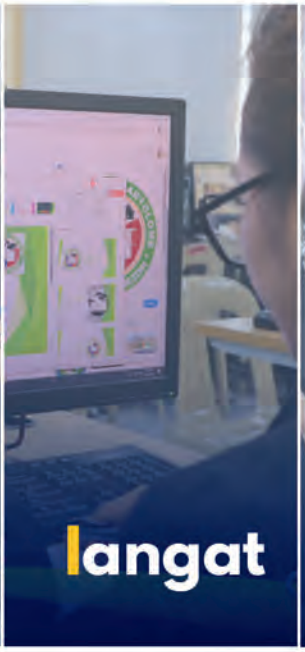

QCU SMILE
SIMULA · MALASAKIT · IANGAT · LINGAP · EKSPERTO

It is with great JOY that QCU brings a SMILE to the ecosystem of Quezon City.

The 5 Components QCU SMILE

QCU developed QCU SMILE as its overarching, flagship, and umbrella extension program, focusing on five priority areas aligned with the university's extension agenda, thrusts, and priorities.

Social Services,
Management and Governance,
Innovation and Information Technology,
Livelihood and Employment, and
Education and Environment

Simula

Project BYOB Batch 4 Equips QC Youth with Business Skills

Project Be Your Own Boss (BYOB) empowered **40 out-of-school youth** last October 27, 2025, through **entrepreneurial training** under QCU's SMILE Extension initiative at **Ardenhills Suite, Quezon City,** concluding with a business plan presentation and awarding ceremony in October 2025.

Karunungan on Wheels Celebrates First Batch of Graduates

The Karunungan on Wheels program celebrated its first batch of graduates on **June 14, 2025,** in partnership with **Barangay Sauyo**. The initiative provided early childhood education through hands-on learning, supported by **QCU volunteers.** This program highlighted the university's commitment to inclusive education and community outreach.

Malasakit

Community Partnership Excellence: QCU Honored at Sauyo's Golden Anniversary

Quezon City University received a **special recognition from Barangay Sauyo** for its significant contributions to community extension and sustainable development. Awarded during the barangay's **50th founding anniversary** on June 28, 2025, the citation highlights QCU's role as a **vital partner in fostering inclusive growth within its host community.** This recognition affirms the university's commitment to translating academic expertise into meaningful local impact.

QCU Partners' Day 2025

QCU held its University Partners' Day 2025 on December 10, 2025 with the theme **"RISE Together: Strengthening Partnerships for Resilient, Innovative, and Stewardship-Driven Education",** highlighting collaborations for inclusive education and innovation. City Council Majority Floor Leader Hon. Julienne Alyson Rae V. Medalla and District 1 Councilor Hon. Nicole Ella V. Crisologo graced the event. Forty (40) partners were recognized during the Partners' Day.

QCU Participates in MOVE Training of Trainers Program

From **November 5–7, 2025,** Quezon City University representatives joined the **MOVE Training of Trainers** at **The Tribute Hotel, Diliman, Quezon City**, to strengthen skills in **gender equality, mental health, and violence prevention** for community advocacy toward a **violence-free and gender-fair society.**

Jangat

QCU Launches Project CLiP to Boost Digital Skills of Barangay Personnel

Project CLiP, launched on **October 24 and 28, 2025**, provided computer literacy training for barangay administrative personnel from **San Bartolome, Bagbag, Gulod, Sta. Lucia and Talipapa** to strengthen digital skills and public service.

Ateneo's Digging for Purple Gold 2025 Exhibit

QCU showcased urban agriculture, student innovations like the Automated Purple Yam Jam System and Ube Langka Pie, and explored sustainability collaborations at Ateneo de Manila University's 2025 UBE Festival, highlighting its commitment to research, entrepreneurship, and climate-resilient food systems, held on May 7, 2025, at the Arete Hall.

Continuing Success at Sharon Farm: Romaine Lettuce Harvested from Project COLDFRAME 2.0

The **QCU College of Engineering** successfully harvested **10 kilograms** of **Romaine lettuce** in just **30 days** through **Project COLDFRAME 2.0.** By utilizing controlled climate technology, the initiative showcased a scalable model for climate-resilient urban farming during its **March 27, 2025** harvest. This milestone highlights the university's integration of engineering solutions with sustainable food production.

Hope Renewed: QCU Produces Second Batch of Female PDL Graduates

QCU, in partnership with the Quezon City Local Government, the Bureau of Jail Management and Penology, and the QC Jail Female Dormitory, conducted the **graduation ceremony** on September 13, 2025, at the QC Jail Female Dormitory, Camp Karingal, Quezon City, for **24 female persons deprived of liberty (PDLs)** who completed the **two-year BS Entrepreneurship** program under Mayor Joy Belmonte's **"No Woman Left Behind"** initiative, empowering them through education and skills development.

East West Center Alumni Association Philippines Honors Dr. Atienza for Support of Boera Women's Gardening Project

Dr. Theresita V. Atienza was honored by the **East-West Center Alumni Association of the Philippines** for supporting the **EWC Ohana** visit to QCU's Center for Urban Agriculture and Innovation, showcasing a **women-led community gardening project** promoting sustainable entrepreneurship and empowerment.

Eksperto

QCU Drives Disaster Preparedness with Solar Siren in Novaliches Proper

QCU partnered with **Barangay Novaliches Proper** on September 3, 2025, for the **Solar-Powered Siren Project** to enhance disaster preparedness and community resilience through improved emergency response systems.

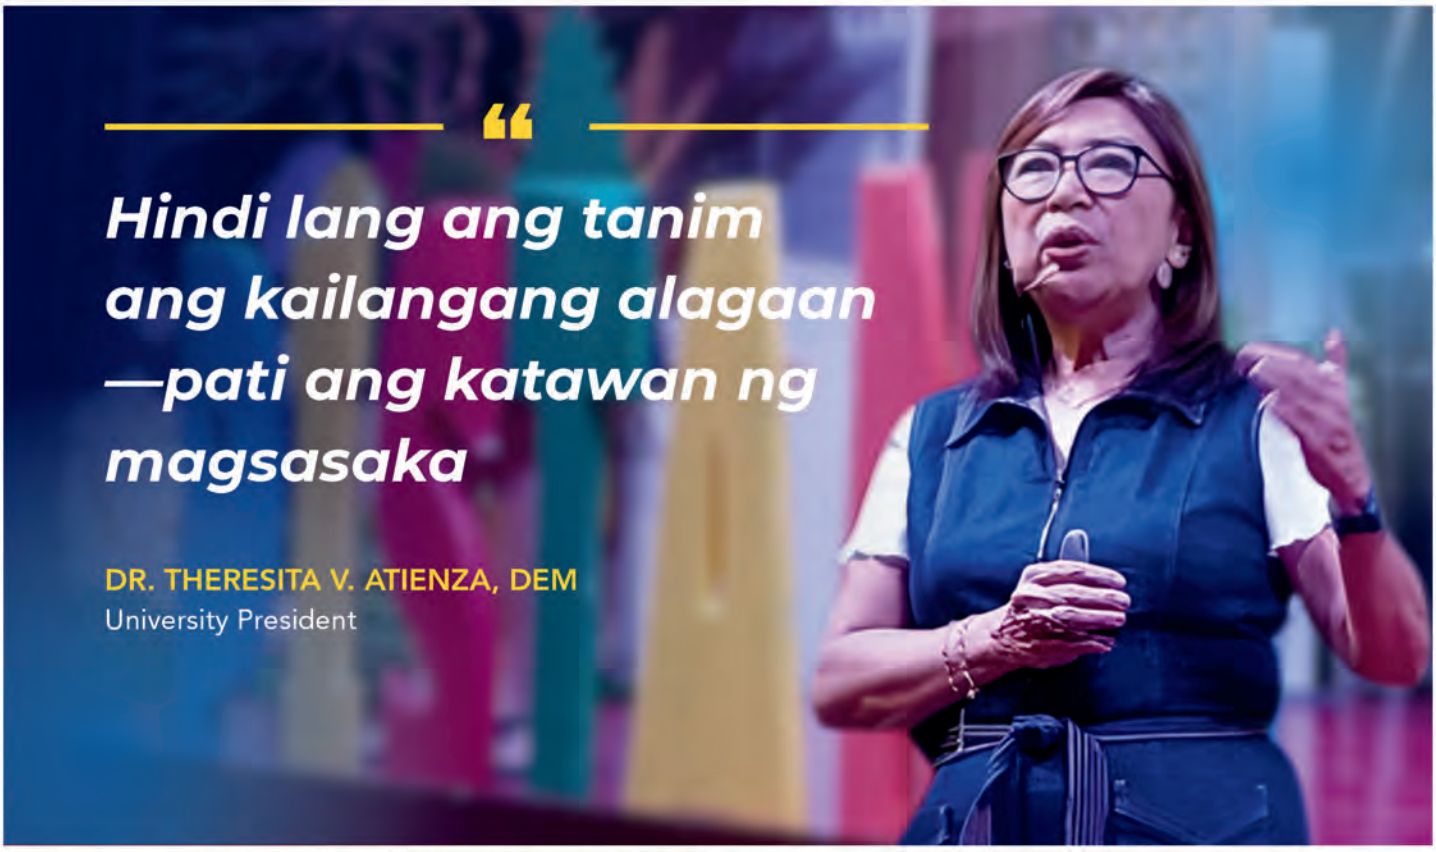

BJMP-NCR QCJFD Leads Tree-Planting Activity at QCU San Bartolome Campus

Quezon City Jail–Female Dormitory and **Quezon City University** held a **tree-planting activity** at the San Bartolome Campus on **February 18, 2025**, promoting environmental sustainability and shared social responsibility for a greener Quezon City.

Pistang Ani 2025

From June 28 to 30, 2025, Quezon City University (QCU) partnered with the **Department of Agriculture – Agricultural Training Institute (DA-ATI)** to host ***Pistang Ani 2025*** at the QCU Triangle. The event spotlighted urban farming through the ATI Urban Marketplace, Urban Agritech Expo, and the Urban and Peri-Urban (UPA) Symposium. **QCU President Dr. Theresita V. Atienza led the discussions**, emphasizing the critical role of occupational health and safety in sustaining urban agriculture and ensuring regional food security.

Mayor Joy Belmonte Receives Presidential Gawad Lingkod Bayan Award

Quezon City Mayor and Chairperson of the Board of Regents Joy Belmonte was recognized with the **Presidential Gawad Lingkod Bayan Award** during **"Pagpupugay 2025: Parangal sa mga Lingkod Bayani"** held at **Malacañang**. The **Civil Service Commission** conferred its **highest honor** on Mayor Belmonte in recognition of her leadership in advancing digital governance, transparent procurement, disaster preparedness, inclusive social services, and urban planning in Quezon City.

QCU Receives Water Warrior Award for Water Education

QCU, represented by President Dr. Theresita V. Atienza and Research Management Office Director Mr. Angelito P. Bautista Jr., received the **Water Warrior Award** for **Water Education from Maynilad Water Services, Inc.** during the **World Water Day Philippines Awards 2025** held at Novotel Hotel, Araneta City, Quezon City, on March 22, 2025.

Congratulations

DR. THERESITA V. ATIENZA

The Quezon City Council has confirmed the reappointment of Dr. Theresita V. Atienza as President of Quezon City University, approved by Mayor Joy Belmonte. Backed by councilors under the Local Government Code, the decision recognizes her leadership in promoting academic excellence, inclusive growth, and accessible education.

QC's "Joy is a Farm" Earns Global Recognition at the 2025 CityNet SDG Awards

Quezon City's **"Joy is a Farm"** initiative won global recognition at the **CityNet SDG Awards 2025**, earning **2nd Place Overall and Breakthrough Innovation of the Year.** The awarding ceremony was held in **Denpasar, Indonesia,** on **October 27, 2025**. Dr. Theresita V. Atienza personally received the awards, which recognized QCU's strong program that promotes **urban farming, education, and community engagement to support sustainability and poverty reduction**. Backed by Joy Belmonte, it highlights the city's leadership in innovative, inclusive development.

QCU Shines on Global Stage with Innovation and International Partnership Awards

QCU, led by University President **Dr. Theresita V. Atienza**, was named a finalist in the **"Outstanding Support for Students"** category at the **Times Higher Education (THE) Awards Asia 2025** in Quezon City, Philippines, for its **"Education as a Pathway for Reintegration: No Woman Left Behind"** program implemented in partnership with the Quezon City government, QC Gender and Development Council, and the Bureau of Jail Management and Penology.

QCU Ranks Again in the Times Higher Education Impact Rankings 2025!

On June 18, 2025, QCU was recognized in the **Times Higher Education Impact Rankings** for its contributions to the UN SDGs, with notable performance in **No Poverty, Zero Hunger, and Quality Education**, reflecting its commitment to sustainability and inclusive development.

QCU is Recognized in the 2025 World University Rankings for Innovation

QCU has garnered significant recognition in the **2025 World University Rankings for Innovation (WURI)**, ***achieving impressive positions in the following categories:***

#15 in Visionary Leadership,
#24 in Infrastructure, and
#63 in Industrial Applications.

These international rankings highlight QCU's steadfast dedication to fostering innovation, enhancing academic excellence, and promoting inclusive education, all under the guidance of Mayor Joy Belmonte, Chair of the QCU Board of Regents.

QCU Bags Two Major Awards at the 2025 Ched NCR Kumustahan On Internationalization

On December 3, 2025, at **Life Academy International** in Pasig City, QCU received the **Rising Star in IZN Award and a Certificate of Recognition** at the **"Ugnayan at Kumustahan: 2025 CHED Year-End Convergence."** These honors highlight its international growth and commitment to global collaborations.

Quezon City University wins Sustainability Award and Global Impact Recognition at CHED ICONS 2025

QCU won the **Sustainability Award** at the **Commission on Higher Education's ICONS Awards 2025** on December 10. It also ranked in the **1501+ tier of the Times Higher Education Impact Rankings 2025.** President Dr. Theresita V. Atienza accepted the awards, showcasing QCU's dedication to sustainability and societal impact.

QCU's KRA Workshop: Building a Stronger Future Through Empowerment

QCU held a **Key Results Areas (KRA) Development Workshop** to help faculty and stakeholders align their goals with the university's **Institutional Development Plan (2026–2031)**. Led by **Mr. Angelito Bautista Jr. and Dr. Rovena Dellova**, the session highlighted KRAs as measurable targets and introduced the SMART framework. Through interactive activities, participants clarified their roles and contributions, strengthening QCU's commitment to growth, innovation, and excellence.

Pre-Planning Workshop for Institutional Development Plan 2026–2031

On **July 31, 2025**, QCU held a workshop for its 2026–2031 **Institutional Development Plan**. The session, led by the **REPL-Research Management and Institutional Planning Offices**, reviewed the **university's Vision, Mission, and Core Values**, introduced a **draft IDP with seven goals**, and collected feedback. The final IDP is due in September 2025.

Institutional Development Plan 2026–2031
Developing Effective Leaders for Sustainable Success

On **August 5, 2026**, the QCU IDP at Subic, Zambales, emphasizes leadership development as a process of building essential skills like communication, decision-making, strategic thinking, and emotional intelligence to prepare individuals to lead effectively. It highlights strategies such as training, mentorship, and real-world experience while addressing challenges like limited resources and resistance to change, ultimately aiming to create adaptable leaders who drive team performance and long-term organizational success.

2025

Excellent Campus Environment

7

Creating learning environments that are modern, inclusive, technology-enabled, and supportive of academic and student life.

QCU Enhances Gym Facilities

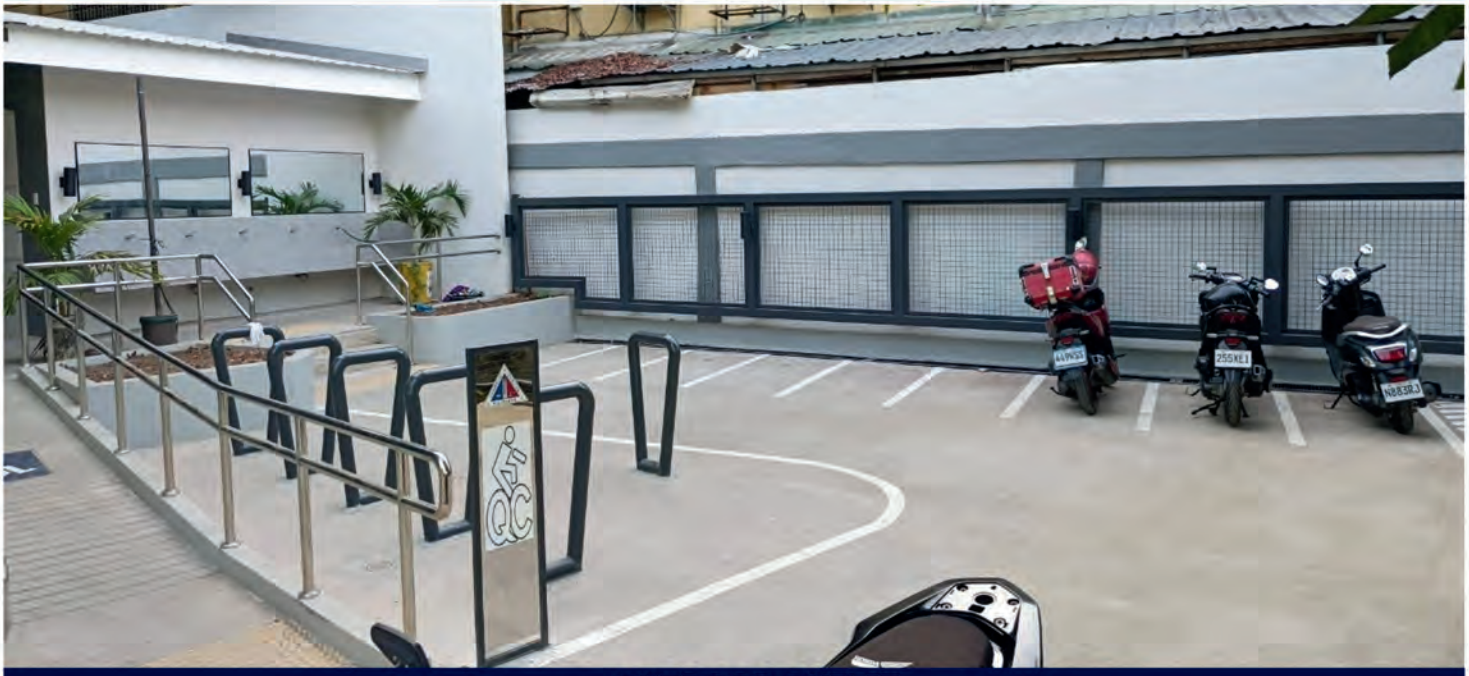

In 2025, QCU started the rehabilitation of the **QCU Gym (formerly Tech-Voc Building)** to enhance technical education, aligning with industry standards for student skill development. The construction **began on June 9, 2025**, and is **expected to be completed by April 2026**.

QCU Batasan Campus Expands with New Infrastructure Project

In 2025, QCU launched a major project at Batasan Campus to modernize and expand facilities, supporting student needs.

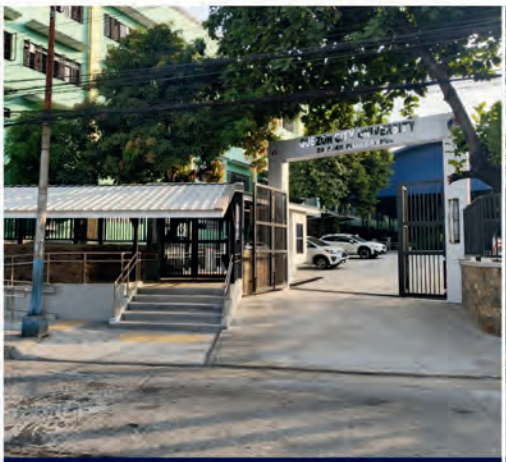

PROJECT COMPLETED

OUTDOOR OUTLET

COVERED PATHWALK

GATE & FENCE

GUARD HOUSE & PARKING AREA

QCU conducts Fire Safety Seminar

QCU held a **Fire Safety Seminar** on November 4, 2025, at San Bartolome Campus with the **Bureau of Fire Protection**. It focused on **boosting fire awareness, preparedness, and emergency response** for students, faculty, and staff to ensure a safe learning environment.

GIVE Blood, GIVE HOPE — Together, We Save Lives

The **QCU Medical and Dental Services Unit** held a blood donation drive in partnership with the **Philippine Red Cross** and the **QCU National Service Training Program (NSTP)** on October 23, 2025.

Lighting the Way: QCU Glows Blue in Support of Mental Wellness

The **New Academic and Belmonte Buildings glowed blue for mental health awareness** on October 10, 2025, **symbolizing hope and unity.**

Together in Blue: QCU Celebrates Mental Health Awareness

During the **"Maki-Hype Activity,"** participants **wore blue**, engaged in **reflective exercises, and wrote messages to their future selves**, underscoring a commitment to inclusive communities.

QCU Offers Free Flu Vaccines to Employees through QC Health Department

The **QCU Medical and Dental Services Unit**, in partnership with the **QC Health Department**, held a **free flu vaccination drive** for employees on January 7, 2025, to **enhance workplace health and safety**.

Promoting Inclusivity: PDAO Conducts Disability and FSL Trainings at QCU

QCU participated in **inclusivity training programs** to foster empathy and communication skills, demonstrating its commitment to accessible education and inclusivity.

QCU to host Advanced Manufacturing Center (AMCen) through DOST-NCR's support

Quezon City University has been selected by Department of Science and Technology – National Capital Region to host an Advanced Manufacturing Center (AMCen), with the facility and equipment formally turned over to the university on July 2, 2025 to strengthen its capabilities in 3D printing and additive manufacturing.

As part of this initiative, Quezon City University conducted the Bambu Lab X1 Carbon 3D Printing Training and participated in the Advanced Manufacturing and Prototyping Learning Initiative for Innovation Fueling Industry and Regional Development (AMPLIFI3D) 2025, which was held from May 19 to June 6, 2025. During the program, Dr. Dandin Fresno, Head of the Engineering Laboratory, received advanced training in additive manufacturing technologies.

The Advanced Manufacturing Center under the Quezon City University Innovation Hub will serve as a hub for research, prototyping, and innovation, supporting the university's commitment to Industry 4.0 and technology-driven education.

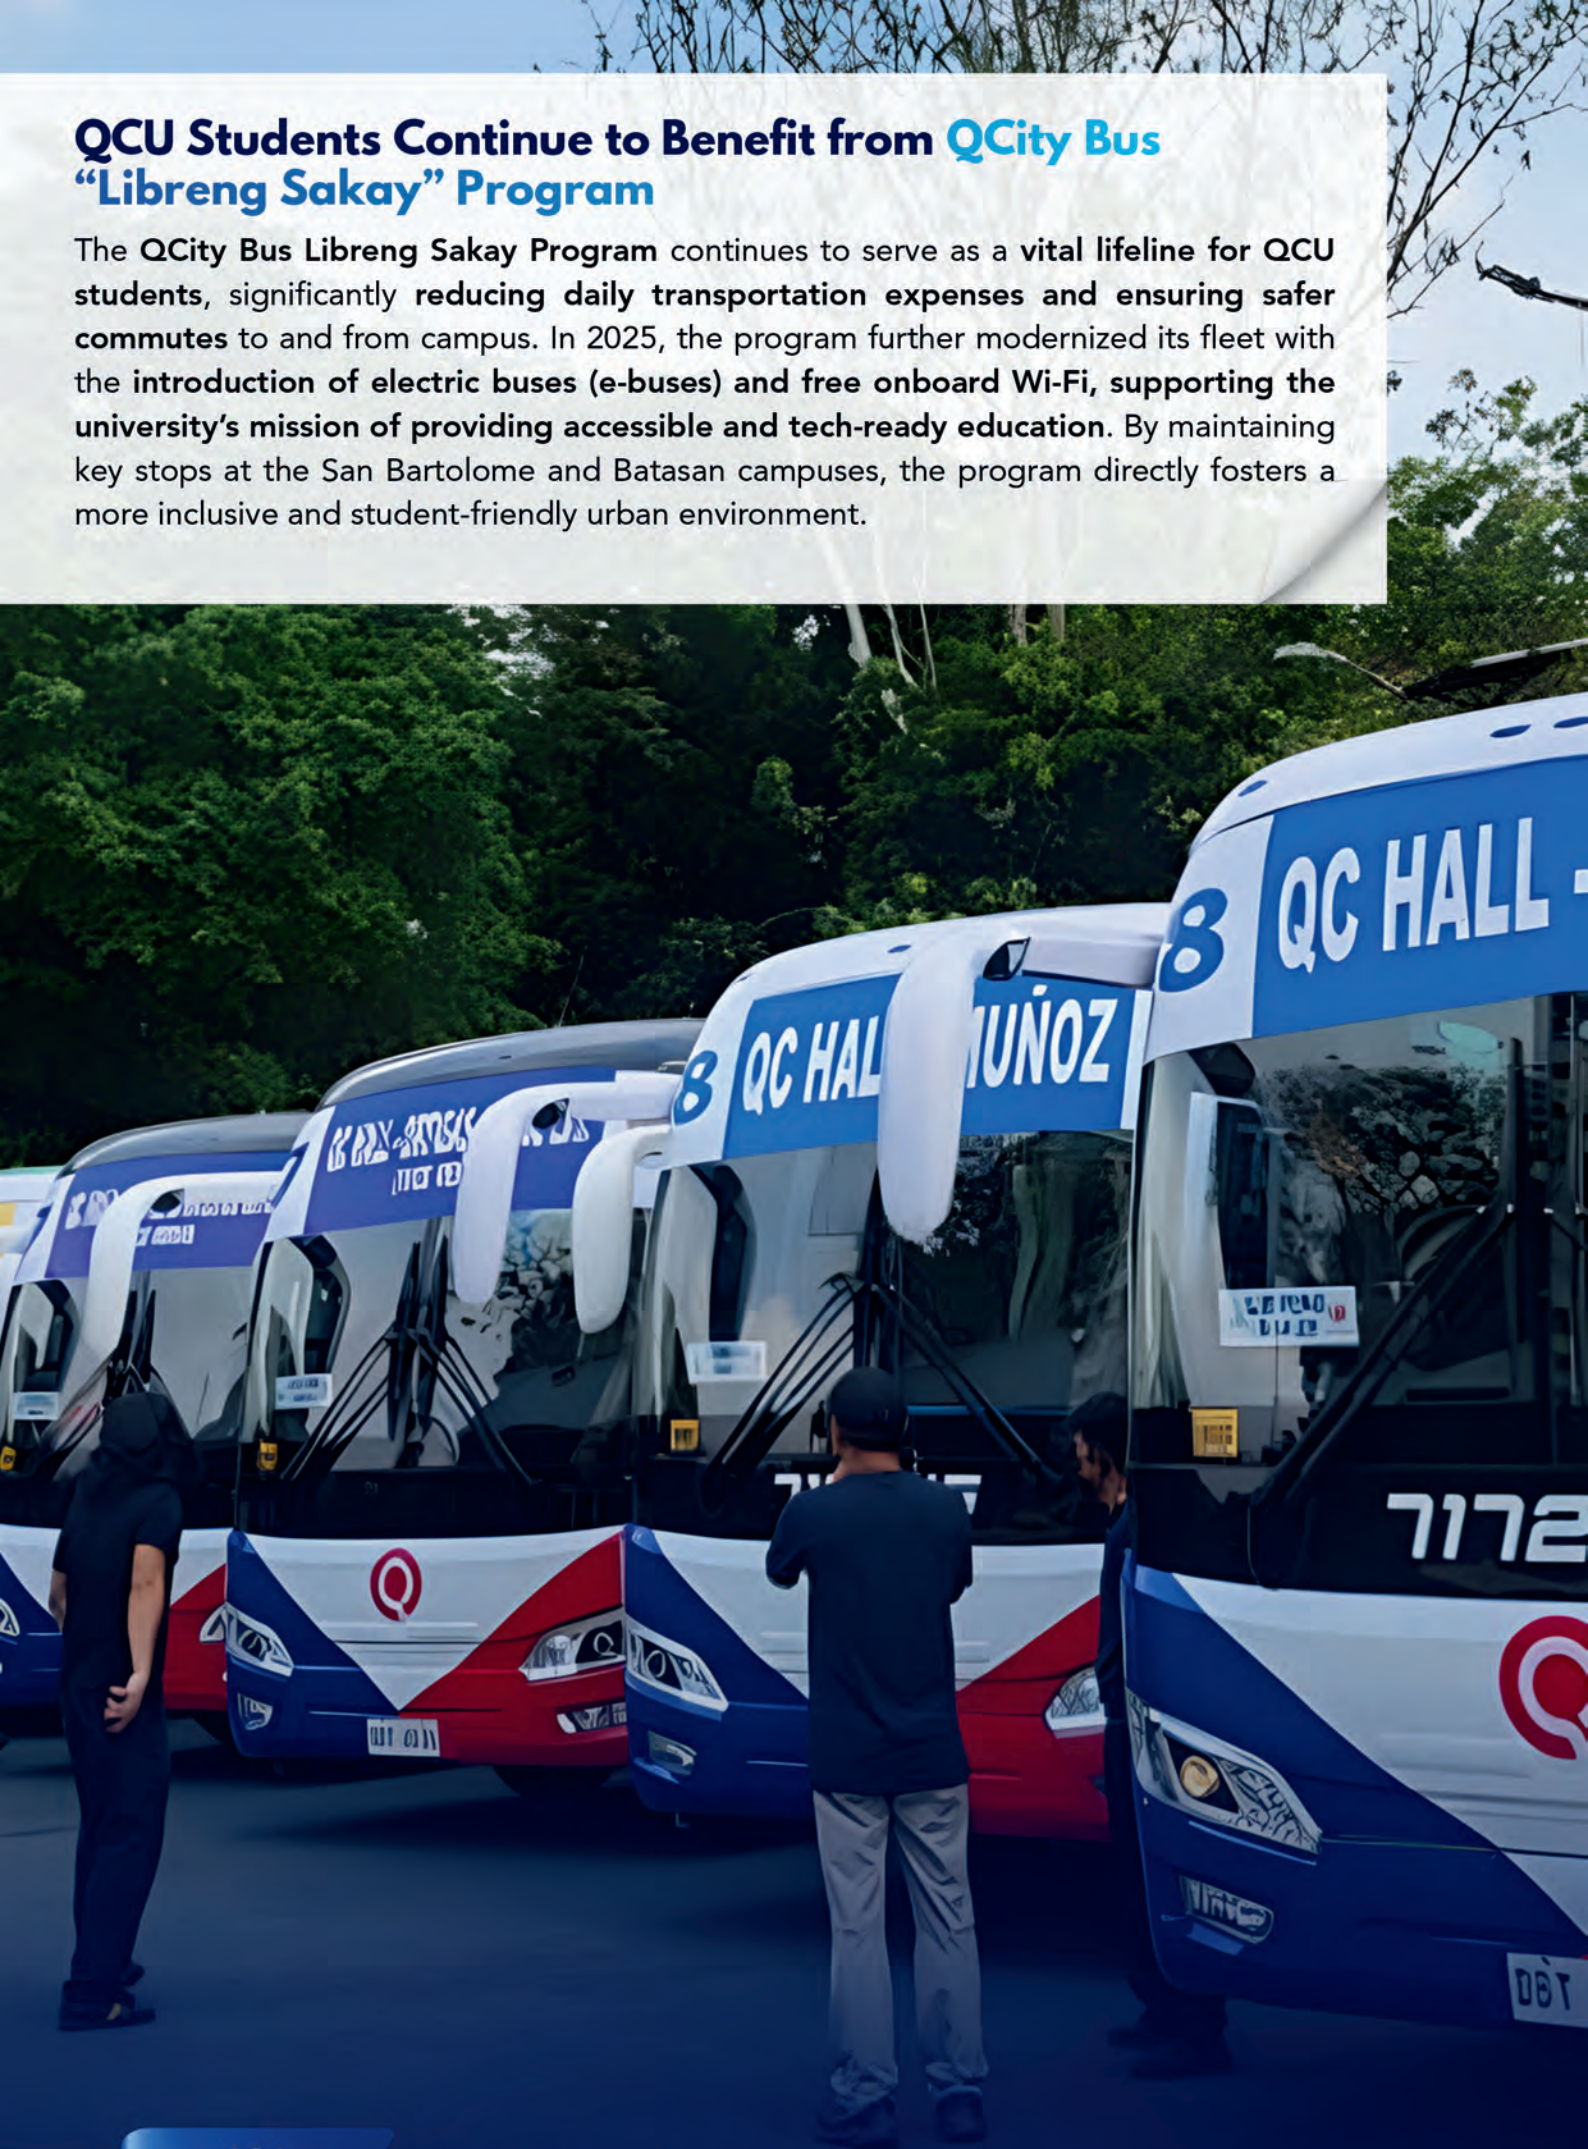

QCU Students Continue to Benefit from QCity Bus "Libreng Sakay" Program

The **QCity Bus Libreng Sakay Program** continues to serve as a **vital lifeline for QCU students**, significantly **reducing daily transportation expenses and ensuring safer commutes** to and from campus. In 2025, the program further modernized its fleet with the **introduction of electric buses (e-buses) and free onboard Wi-Fi, supporting the university's mission of providing accessible and tech-ready education**. By maintaining key stops at the San Bartolome and Batasan campuses, the program directly fosters a more inclusive and student-friendly urban environment.

QCU CHARTS ITS DIRECTION FOR 2026–2031

At the end of 2025, Quezon City University completed its Institutional Development Plan (IDP) 2026–2031, setting a renewed direction for the university's next phase of growth. Developed after the review of the previous strategic plan, the new IDP reflects both continuity and change: continuity in QCU's commitment to accessible, quality education and change in the way the university now positions itself in a more dynamic and demanding higher education environment.

Anchoring the new plan is QCU's renewed vision: to be an internationally recognized local university committed to innovation and sustainability to achieve positive social impact. This vision affirms the university's aspiration to strengthen its local mandate while expanding its relevance in a broader academic and development landscape. It is supported by QCU's enduring mission to provide a comprehensive education that enhances the lives of QCU students for nation-building and as world citizens and by its core values, QCU RISE: Resiliency, Innovativeness, Stewardship, and Equity.

The IDP 2026–2031 is organized around seven strategic agendas that define QCU's institutional priorities for the next six years: Global Standard Curriculum, Empowered Educators, Dynamic Student Engagement, Research Excellence, Community Synergy, Innovative Infrastructure, and Governance for Excellence. Together, these agendas present a more integrated approach to academic quality, faculty and student development, research and extension, campus improvement, and institutional leadership.

More importantly, the new plan signals QCU's intention to move with greater clarity and purpose. It seeks to strengthen programs and systems, expand opportunities for learners and educators, deepen community and research impact, improve facilities and digital readiness, and promote more transparent, inclusive, and sustainable governance. In doing so, the university affirms that its growth must not only be measured by expansion but also by relevance, responsiveness, and meaningful contribution to society.

The IDP also emphasizes implementation and accountability. Through regular monitoring, defined performance indicators, review mechanisms, and a centralized digital performance dashboard, QCU aims to ensure that the plan remains measurable, actionable, and aligned with institutional goals over time.

As QCU enters a new planning period, the Institutional Development Plan 2026–2031 stands as a statement of readiness. It reflects a university prepared to move forward with stronger alignment, a clearer sense of direction, and a deeper commitment to innovation, sustainability, and positive social impact.

QCU IDP 2026–2031 AT A GLANCE

Vision

To be an internationally recognized local university committed to innovation and sustainability to achieve positive social impact.

Mission

To provide a comprehensive education that enhances the lives of QCU students for nation-building and as world citizens.
